The draft Consolidated Plan is a comprehensive document that provides a basis and five-year strategy for the use for all federal funds granted to the Urban County of Orange by the U.S. Department of Housing and Urban Development (HUD) under the Community Development Block Grant (CDBG), Home Investment Partnership (HOME), and Emergency Solutions Grant (ESG) programs. The information in the draft Consolidated Plan is generated from community surveys and public meetings. Notice of public meetings and surveys were made available both online and in hard copy form. This draft plan represents responses to the public meeting and surveys, as well as the demographic information compiled by the County's Consolidated Plan consultant. City staff and direct service providers were also surveyed to obtain a comprehensive overview of the priorities in the Urban County communities for CDBG, HOME, and ESG funding.

The draft Citizen Participation Plan provides a framework and process by which the County's consolidated planning and reporting efforts comply with the citizen participation requirements published by HUD. This draft Citizen Participation Plan is prepared and implemented in accordance with the guidance provided in HUD Regulations 24 CFR Part 91.105.

The Annual Action Plan (AAP) is an all-encompassing document that provides a basis and strategy for the annual use for all federal funds granted to the Urban County of Orange by HUD. The AAP also addresses related local funding received by OC Housing & Community Development (HCD). The AAP indicates preliminary awards based on estimated HUD funds for FY 2020-21. These appropriations support public facilities and improvements, public services, housing rehabilitation, and affordable housing development activities that benefit low-and moderate-income households.

The Draft FY 2020-24 Orange County Analysis of Impediments to Fair Housing Choice (AI) is a thorough examination of structural barriers to fair housing choice and access to opportunity for members of historically marginalized groups protected from discrimination by the federal Fair Housing Act (FHA). The AI also outlines fair housing priorities and goals to overcome fair housing issues. The County of Orange, in compliance with the Fair Housing Act, Code of Federal Regulations 24 CFR 570.601(a), Public Law and Executive Orders associated with Affirmatively Furthering Fair Housing, is providing the public with the required information before submitting the AI.

INVITATION TO BE HEARD: This notice hereby provides the public a 30-day review period beginning May 15, 2020 and ending June 15, 2020 to submit their concerns and comments. All persons favoring or opposing the Consolidated Plan, Citizen Participation Plan, AAP, or AI are invited to present their views in writing or before the Board of Supervisors.
